### Bowling Night

There were several people on Sunday, March 9<sup>th</sup>, who found out they had muscles in their body that they had not used in quite some time!!! Reason? On Saturday night they went bowling!!! By 8 p.m. folks were pulling out the painkillers in order to make it home. All things considered, it was a fantastic outing for 18 ETCC members. Lots of fun was had by all. Thanks to **Jamie Jones** for making all of the arrangements!

*Saturday night bowling...*

*Roger Hammons was the winner of the door prize. Door prize made/donated by Jamie Jones. I know all the guys will be envious of Roger!*

One last word about the bowling when asked who won....no one wanted to admit their score (I think they were more like golf scores). We were just glad to be out there having fun!

### Club Trip to National Corvette Museum

On Saturday, April 12<sup>th</sup>, club members are invited to join up and make a trip to Bowling Green, Kentucky, to witness the flag that is being flown in the museum parking honoring the East Tennessee Corvette Club. **Tom Webber, Jr.**, submitted an entry for the club last year, and we were selected to have a flag made with our name on it to fly in their parking lot along with other clubs. Our plans are to caravan up on Saturday morning and tour the museum around 2 or 3 p.m. Tom has reserved 15 rooms at the Country Hearth Inn which is ½ mile away from the museum. The cost of the room is \$65 per night. If you are interested, you can make your reservation by calling 270-783-4443 and tell them you are with the East Tennessee Corvette Club. More to follow on place to meet on Saturday morning, etc.

### Corvette Expo This Weekend!

Don't forget Corvette Expo this coming weekend, March 28<sup>th</sup> and March 29<sup>th</sup>. Location is at the new Sevierville Exposition Center. The ETCC will have a table so be sure to stop by. Here is the link for more information regarding all of the events:

### Heritage Planetarium

On Sunday afternoon, March 16<sup>th</sup>, 33 ETCC members visited the Heritage Planetarium for a laser show and some toe-tapping rock-and-roll music! Thanks to **Tom Webber, Jr.**, for making all the arrangements for the event and also making our reservations at Up The Creek. Both were fantastic!
